Glocester Country Club

CODE OF CONDUCT

The Codes of Conduct have been developed to ensure a safe, friendly, and respectful place for members, visitors, staff and the Board to gather in the spirit of cooperation, relaxation, good will, fun and friendly competition. The Code of Conduct differs from rules in that it addresses acceptable/unacceptable behavior.

All members & visitors are expected to conduct themselves in a manner that:

- Creates an environment and culture that is reflective of the personal integrity and respect taught in the rules of golf where it is written and that we are capable of enforcing rules upon ourselves with honesty, integrity, and good sportsmanship. This same integrity, honesty and good will are expected whether on the golf course, at the beach, grove area, boat docks or while boating or fishing.
- Acknowledges GCC as a family friendly environment and, therefore, refrains from using obscenities and loud boisterous behavior inappropriate for children and good taste.
- Observes proper etiquette on and off the course, in and around the lake and club house.
- Is reflective of being an Ambassador for Glocester Country Club (GCC) when out in the community, at other clubs and/or at GCC. We are all representatives of Glocester Country Club.
- Shows the utmost respect and dignity to fellow members, staff, and visitors.
- Does not damage the character, integrity, good will, property, and community view (local and/or the broader community) of GCC and/or staff.
- Is reflective of an adherence to ALL club rules:
 - Sign in procedures in the Pro Shop.
 - Rental and safe operation of carts in designated areas ONLY.
 - Obeying guidelines concerning the areas on which carts are not allowed off the cart paths.
 - Seeking Pro's approval for starting a hole other than number 1.
 - Obeying signs "Open or Closed" for the driving range unless proper permission is sought and received from pro shop staff.
 - Use and proper care of putting green.
 - Use of beach and obeying lifeguard direction.
 - Pride in the physical appearance of GCC as it is reflective our membership.
 - Demonstrate an understanding that members and visitors have no authority to instruct staff in job performance and duties.
 - Understand that the Golf Professional, Greens Superintendent and Kitchen manager is responsible for instructing the staff in the performance of their duties.
 - Is vigilant in reporting real or perceived safety hazards to staff and/or Board of Governors.
 - Understand that the membership through the Board may make suggestions regarding the operation of the club.
 - Does not denigrate, talk down to, scream at staff members, general membership and/or guests and does not create unnecessary strife and divisiveness.

I HAVE READ, UNDERSTAND AND WILL COMPLY WITH THE GCC CODE OF CONDUCT
