

GLOCESTER COUNTRY CLUB MISSION STATEMENT

To be a Member-Owned Private Club

Provide an exceptional Gloucester Country Club Experience by combining our lakefront location with excellent facilities, programs and services for the enjoyment of our members.

Committed to providing its members, their family and guest's access to a quality recreational and social environment, which contributes significantly to the overall well being of individuals and our community. We strive to make this a lifetime experience for our membership.

We will constantly seek feedback from our members so we can continually improve the operation of the club.

We will Enhance the "GCC Experience" by continually improving our amenities and service to achieve a high level of Member satisfaction.

We will make our golf, tennis and beach facilities the best in our area, and ensure that all our facilities are inviting, functional and well maintained.

We will offer a variety of enjoyable dining alternative, wonderful food and maintain a level of service throughout the Club where every Member and guest is treated as a preferred customer.

Our dedication to fiscal responsibility and appreciation of our staff will further assure the long-term success of our Club.

Our commitment to excellence will securely establish Gloucester Country Club as the first choice for those seeking the best private club experience with the enjoyment of the entire family being our primary focus.
